EVENT OVERVIEW

OCNI Nuclear and Data Centres Industry Day

Powering Canada's Digital Future: Nuclear Energy and the Supply Chain Opportunity

The event will bring together industry leaders, innovators, and stakeholders to explore how nuclear energy and digital technologies can shape Canada's sustainable future. This event will highlight opportunities across the supply chain, foster collaboration between key players, and showcase strategies to strengthen Canada's role in the global energy transition.

Why Sponsor?

In addition to the specific benefits outlined in the package, sponsoring Nuclear and Data Centres Industry Day 2025 offers valuable opportunities to:

- Showcase your company's expertise at the intersection of data centers, hyperscalers, and the nuclear industry
- Position your brand as a leader driving innovation, resilience, and sustainable energy solutions
- Build strategic relationships with decision-makers, clients, and partners shaping the future of critical infrastructure

Please note: To secure your spot, please complete the sponsor application on the last page. Sponsorships are available on a first-come, first-served basis.

Thank you for your interest, we appreciate your support!
