OCNi OVERVIEW

The Organization of Canadian Nuclear Industries (OCNi) is an association of more than 250 leading Canadian suppliers to the nuclear industry in both domestic and international markets. OCNi member companies employ over 15,000 highly skilled professionals across Canada who manufacture major equipment and components, and provide engineering services and support for CANDU and SMR technologies used in nuclear power plants worldwide.

Beyond the energy sector, OCNi companies are also committed to advancing the safe and responsible use of nuclear technology in various other fields, including medicine and industrial applications.

OCNi is the leading voice of Canada's nuclear supply chain, actively promoting the production of safe, clean, and reliable nuclear baseload electricity as a vital part of a balanced energy mix in Ontario. The organization also supports member companies in expanding their reach to global nuclear markets by fostering partnerships with local suppliers, plant designers, utilities, and government agencies.

OCNI Nuclear Industry Day Exhibitor Manual

September 15–16, 2026

Dear Exhibitor,

OCNI in partnership with Bruce Power and Ontario Power Generation is proud to welcome you to the OCNI Nuclear Industry Day 2026 – an event bringing together Canada’s world-class nuclear supply chain for two full days of connection, innovation and collaboration.

The event will be held between **Tuesday, September 15th** and **Wednesday, September 16th, 2026**, at **B10 Lot, Bruce Power, 177 Tie Rd, Tiverton, Ontario, Canada**. This event is designed to highlight opportunities, forge new relationships, and build on the growing momentum in Canada’s thriving nuclear industry. This year’s event will feature over 80+ suppliers showcasing their products and services.

Please be aware that only exhibitors who have paid in full by August 31, 2026, will be included in the trade show Exhibitor Lists. If you have not yet completed your payment, please contact accounting@ocni.ca.

We look forward to seeing you in September. Should you require additional information or clarification, please contact Ruth Puckrin or me at (905) 839-0073.

Thank you,

Sarina Harrison

Senior Manager, Partners & Events, OCNI

Exhibitor Set-up and Tear Down

Exhibitor and Set-up Personnel Access

Exhibitor and Set-up Personnel will have access to the exhibition tent for set-up on:

Monday, September 14th: 11:00 AM to 4:30 PM

Tuesday, September 15th: 7:00 AM to 8:30 AM

Exhibitors must set up their booths between the hours listed above. Set-up will not be permitted after 8:30 AM on September 15th, 2026.

Shipping and Delivery – DO NOT SHIP TO THE VENUE

The venue is unable to accept any items to site. Exhibitors must carry their booth and materials in their own vehicles to site.

Tear down

The show closes at 2:00PM on September 15th, 2026. Tearing down can begin within your booth immediately following the show closing. Please do not tear down displays prior to the scheduled time.

If a display is not taken down by 5:00 PM on September 15th, 2026, OCNI and the venue reserve the right to dismantle the display and charge the exhibitor accordingly.

We strongly suggest that you do not leave your booth unattended during the set-up or tear down, especially if there are valuable items that can be easily removed.

Carts, dollies, pump-trucks, and all other assistance tools will not be supplied by OCNI or the venue. We ask that exhibitors provide their own materials and bring all tools needed to move or display their booths.

Exhibitor Booth

Upon purchase of your booth, your space includes:

- 2 complimentary attendee tickets
- One display area, defined with back and side drapes
- 6' table and two chairs (tablecloth and skirting included)
- Company name included on all relevant signage as well as inside the event program
- 120V power connection (for those who purchased a booth with access to electrical)

Your booth space does **NOT** include:

- Power extension cord
- Booth cleaning during show hours
- Booth furnishings and decor
- Shipping, warehouse services and Customs

Please Note:

- Large bins for garbage and recycling will be available throughout the facility.

Displays

Displays and installations must stay within the booth rental space and must not interfere in any ways with other exhibits, exhibitors and walkways.

Booth Number Assignments

Exhibitors can reserve their booth location by completing the booth selection form shared either after ticket purchase or by contacting administration@ocni.ca. A Floor Plan has been provided in this manual for your convenience. Please note that certain booths are reserved for event partners.

However, OCNI reserves the right to change a confirmed booth location due to necessary or unforeseen changes in the floor plan.

Booth Space Limitations

In order to accommodate as many members as possible, OCNI must limit booth space to one booth (exception being for Platinum Sponsors) per exhibitor due to limited spacing in the exhibit area.

If your display requires a double booth, OCNI will consider your request that should be made to the OCNI office no later than one (1) month prior to the OCNI Nuclear Industry Day.

Insurance

Individual exhibitor insurance is not required.

Emergency Preparedness for OCNI Nuclear Industry Day

The Emergency Preparedness Guidance for our event includes a plan for unforeseen circumstances, such as the sudden need to cancel due to severe weather, venue issues outside of our control, utility scheduling conflict, etc.

In the event of a cancellation, clear communication channels with attendees will be established through multiple platforms, including email (please note, email correspondence will be sent to the contact listed as an attendee), social media, and our event website, to ensure swift dissemination of information.

Our contingency plan involves identifying alternative dates or venues, if feasible, to reschedule the event. Additionally, our refund policy ensures that attendees will receive timely reimbursements or credits for any prepaid registration fees or expenses incurred. We remain committed to prioritizing the safety and satisfaction of our participants while maintaining the integrity of our event, even if challenging circumstances were to arise.

Intellectual Property

At the OCNI Nuclear Industry Day, members are entrusted with the protection of their intellectual property and products. While we strive to provide a secure environment, it is the responsibility of each member to safeguard their proprietary information and merchandise.

We encourage members to take proactive measures, such as limiting the dissemination of sensitive data, utilizing non-disclosure agreements when necessary, and implementing appropriate security measures for their products on display. By exercising diligence and discretion, members can help ensure the integrity and confidentiality of their intellectual property throughout the duration of the event.
